OFFICE OF LEGISLATIVE COUNSEL

Wednesday - 31 August 1960

1. (Unclassified - GLC) At the request of Mr. Armitage, State Department, I contacted Mr. Gadden, in the office of Senator Harrison Williams (D., N.J.). Gadden had called State for some information given to other congressional offices on this subject, i.e., we were continuing Powers' salary but that any open statements should be limited to the general statement made by the State Department. Gadden was appreciative of this information.
